

FILATOV&KARAS – AU AU

You're my drug
You know that I'm addicted
Lights are off
The games you play are _____
And you say
I steal your heart, I steal your heart
But you take it from the day I _____ you
And now I'm singin'

U au au
I'm so _____, I'm so _____
Singin' u au au
Feels like I love you
Feels like I _____
Feels like I _____

I always knew I would be
So in _____
_____ drew me
And you say
I steal your heart, I steal your heart
But you take it from the day I _____ you
And now I'm singin'

(CHORUS)

It's just something _____ you
_____, it's true
It's just something you do
It _____, it's true

I just don't know about you, yeah yeah
I just don't know about you, yeah yeah
