Making a stop motion animation

1 Read

The characters in this film are a man called Wallace and a dog called Gromit. They aren't real and they aren't pictures. They are models. The film is made with the stop motion technique. You can make a stop motion film at home.

2 Look and read. Number the sentences.

- Now the pirate wants to open the box. Move his arm to the box. Take photos.
- The pirate is looking at the treasure chest. Take a photo.
- Put the photos in the computer. Use a movie maker programme to make the film!
- Then move the pirate another step and take a photo. Repeat till the pirate is near the box. Take a photo for each step.
- These are the models for the film. There's a pirate and a treasure chest.
- Open the box. Take a photo.
- The pirate is happy! Move the pirate's arms up 5mm. Take a photo. Repeat till the pirate's arms are in the air.
- Now move the pirate one step. Take a photo.
