Reading Comprehension - Learning Club

1. Read the text and answer the questions.

The Titanic

The titanic was a very big ship. It carried over 2000 people. Its first journey was from Southampton to New York, but the ship never arrived to America.

How was Titanic made?

Titanic was built in the city of Belfast. It took three years to build and cost millions of dollars.

What could you do on Titanic?

There were lots of things to do on Titanic! If you were a rich passenger you travelled in first class. First class passengers had a private bathroom, sitting room and bedroom. You could go to restaurants or swim in the pool.

If you were a poor passenger you travelled in third class. Third class passengers slept on bunk beds with lots of people. There were only two bathroom for all the third class passengers on board! There were less fun things you could do.

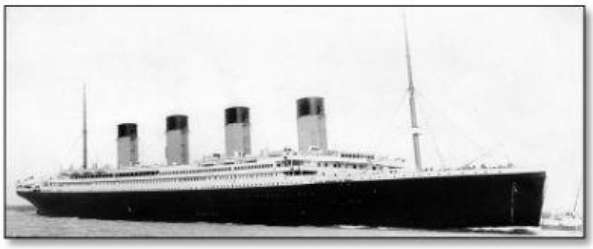

On Titanic, there were:

-Four restaurants.

-One pool.

-Two libraries.

-1 gym.

Why didn't Titanic reach America?

Sadly, on 15th April 1912, Titanic hit an iceberg and sank. Many people lost their lives.

Did you know...?

1. Titanic was 269 meters long (the same length as three football pitches).
2. The iceberg that hit Titanic was around 30 meters tall.
