

Answer the questions using the **present perfect**. Describe the situation using the **simple past tense**.

Example:

1. Have you ever woken up late for work?

Yes I **have woken** up late for work. Last year, I **woke** up very late and **went** into work 2 hours late. My boss **was** very angry with me, but I **explained** that my alarm had not rung.

No I **have never woken** up late for work.
