4. Listen and complete the dialogue. Track 48

A: Hello there, Danny. Can you help me install my new computer program?

B: Sure, but first make sure you save any documents before you turn your computer off.

A: Okay, I am uploading a video that teaches me how 1. _____ that.

After installing the program, can you help me 2. _____ an e-mail account?

3. _____ one is difficult for me and I would like to share a movie that I'm streaming with a friend.

B: Oh, I like watching livestreamed movies too. It's better than going to the cinema because you can pause when you need a break.

A: Sure, I'll send it to you too by e-mail as soon as I finish it.

B: If you want, I can also teach you 4. _____ social media too because it is necessary nowadays. I use Facebook 5. _____ up with my friends and WhatsApp 6. _____ with my family. Besides, I download videos from YouTube, so I can watch them at home.

A: That 'll be great!
