Hello, my name is July. My family is a small family in a countryside. My family has four people. They're my dad, mom, sister and me. Because I live in the countryside, my family's main work is farming. My parents get up very early to go to the field. The field is very large and has many trees. My parents grow a lot of trees. Every day, after going to school, I water the trees. I have got a cute dog. His name is Bobby. I and Bobby are best friend. Farming is very tiring but very fun. I like watching the trees grow day by day. I love my family's work.
