On Monday, Dad takes us all to our grandparents' farm in his car. Grandma and Grandpa live on a farm that's near the lake. We love going their. We walk along a little path and past many trees to the lake. I and my brother go fishing and we can catch two fish for lunch. When we come back to our grandparent's house, we go to see the horses. Grandpa shows us two new baby horses that are only one week old. Grandpa asks us: "Do you want to choose the names for them." We all laugh and say "Of course! We will find the names for two baby horses." They have got brown eyes and make funny noises when we say "Your new names are Cloud and Star!".
