

## 1º CFGS – AUTO (UNIT 3. Video activity)

- 1 The only material used for the interior of the BMW X3 is leather.
- 2 The X3 has a lot of storage space and it's very functional.
- 3 The car's seating position offers optimized overview of the traffic.
- 4 The X3 is a primarily driver orientated car.
- 5 The control display of the optional iDrive is next to the instrument panel.
- 6 The back seats of the X3 are ideal for tall people.
