Key Vocabulary Review

Oral Review Work with a partner. Use these words to complete the paragraph.

confident	**foolish**	**tragedy**
convinced	**nerves**	**worthless**
doubted	**shock**	

I should never have listened to my friend's idea about visiting a spooky old house at midnight. I felt jumpy and thought I could cure my shaky __(1)__ by doing something daring. My friend seemed so __(2)__, so sure he was right, that he __(3)__ me to go with him. When we got to the house, my friend told me about a terrible __(4)__ that had happened there years ago. Even though I __(5)__ that his story was true, my heart began to pound. Then we heard a crash inside the house. I started running away in horror and __(6)__. When my friend began to laugh, I felt silly and __(7)__. Now I know that my friend's idea of fun has no value—it is __(8)__.
