

Listen to Irene's free time and answer the questions

Irene is a housewife and in her free time. She usually **watches** soap operas because she **relaxes** in the afternoon. She also goes out with her friends once a week, but she does not **spend** too much time with her friends because she has a baby. **She always hangs** out with her husband on weekend. They usually **go** to the cinema and **have** dinner at Hellen's kitchen. She really likes to have fun in

her free time.
