HOMER SIMPSON

Hi kids! I am Homer Simpson. I am thirty six years old and I work for a nuclear power plant in Springfield, in USA. I have got a beautiful family. Marge is my wife, Bart is my son and Lisa and Maggie are my daughters.

I get up early in the morning. I have a quick shower and then I eat sausages and eggs for breakfast. I ride my car to work everyday but I often arrive late. My boss is really strict to his employees and he says that I am a bit lazy and irresponsible. When I get home, I have a rest on the sofa. Then, I help my wife do the housework and I take care of the baby. After that, I meet friends at Moe's tavern where we have a great time. I like drinking a beer and watching sports programmes on TV. My friends say that I am sometimes innocent and stupid but I think it is not true at all. My hobbies are sleeping, eating hamburgers, hot dogs, bacon and donuts. The doctor says that I am overweight and that I need to go on a balanced diet full of fruits and vegetables. I think he is right so I am going to follow his advice.
