My favourite show is called "Cooking Challenge". I must say it's a great show. In this programme, there are some contestants and they must cook a meal for the judges. Then, the judges taste the dishes and decide which is the best. The winner receives a prize of 500€.	
I like it because, as you know, I love cooking, so with this programme I can learn how to prepare food in different ways.	
Best wishes,	
Dear John,

It's nice to hear from you, and I'm happy to answer your questions.
