

UNIT #4 – GRAMMAR SECTION #1

NAME: \_\_\_\_\_ DATE: \_\_\_\_\_

**1** **Read.** Complete the sentences. Use *can/may/must* and the verb in parentheses.

1. Houses can be built (*build*) from recycled materials.
2. New cars \_\_\_\_\_ (*design*) to run more efficiently.
3. Energy \_\_\_\_\_ (*conserve*) if we turn off lights we don't need.
4. If you can't reuse or recycle a plastic, it \_\_\_\_\_ (*throw away*) in the trash.
5. Trash \_\_\_\_\_ (*reduce*) by recycling more things.
6. Some trash \_\_\_\_\_ (*reuse*) for other things.
7. The environment \_\_\_\_\_ (*make*) more beautiful.
8. Some materials \_\_\_\_\_ (*recycle*).

**2** **Complete the paragraph.** Use the words below.

grow make recycle ~~use~~ wash

We use too many man-made materials. Natural materials must be used more often. They are renewable and often \_\_\_\_\_ on farms. For example, clothing \_\_\_\_\_ from cotton. Cotton is strong, and it feels good to wear. When it gets dirty, it \_\_\_\_\_. When it is too old, it \_\_\_\_\_. It is a useful and practical natural material!
