Payphone - Maroon 5

Man, fuck that shit
I'll be out spending all this **money / house**
While you sitting 'round wondering
Why it wasn't you who came up from nothing
Made it from the bottom
Now, when you see me I'm **playing / stunning**
And all of my cars start with a push of a button

Telling me had chances I blew up
Or whatever you call **me / it**
Switch the number to my phone
So you never could call it
Don't need my name on my show
You can tell that I'm **balling / cleaning**
Swish, what a shame could have got picked
Had a really good game
But you missed your last shot

So you talk about who you see at the **bottom / top**
Or what you could have saw
But sad to say it's over for
Phantom pulled up valet open **doors / windows**
Wished I'd go away
Got what you was looking for
Now it's me who they want
So you can go and take that
Little piece of shit with you
