## The Post Office

There is a post office near Made's house. A post office is a place where letters from many places collected. We can also buy stamps there. Today, people come to post offices not only to send letters or documents. They come to post offices to transfer money, pay electricity bills, phone bills, etc. Post offices play important role in connecting people. People who live far from the reach of cell phone can still communicate with other people from another place through letters.
