

THE PROMISE

(When in Rome)

If you need a new friend,
don't look to a stranger,
You know that in the end,
I'll always be there.

And when you're in a doubt,
and when you're in danger,
Take a look all of around,
and I'll be out there.

**I'm sorry, but I'm just not thinking of the right words to say. (I promise)
I know they don't sound the way that I planned them to be. (I promise)
But if you wait around for a while, I'll make you fall for me,
I promise you, I promise you I will.**

When your day is through,
and so it is your temper,
You just know what to do,
I'm gonna always be there.

Sometimes if I shout you,
it's not what's intended.
These words just come out of,
with no gripe to bear.

CHORUS

I gotta tell ya, I need to tell ya, I gotta tell ya, I gotta tell yaaaa ...

CHORUS

I will...
I will...
I will.

Listen to the song and write the 12 extra words in the indicated lines. Then sing along.
