

SEQUENCING

Sequencing is what happens first, next, then and last.

1. What happened first, next, and last? Write 1,2, or 3.

Theresa's teacher said the butterfly was pretty.	
 Theresa gave her picture to her teacher.	
 Theresa drew a picture of a butterfly.	

2. What happened first, next, and last? Write 1,2, or 3.

  Jenna watched the squirrels play in the park.	
 Jenna's mom took her to the park.	
 At home, Jenna drew a picture of squirrels.
