Dear Trang,

Thanks for your letter and it was great to hear from you. You asked me to tell you about my favorite day of the week. For me, it is Saturday.

One reason I like Saturday is that I have my favorite subjects at school: Chemistry and English. Chemistry is great because we do experiments in the Science lab and our teacher, Mr. Thao, is so funny. In English lessons, we usually play games like role-play and we can move around our class to share ideas with classmates. Now I'm creating a webpage for our English team.

On Saturday nights, my friends and I sometimes go to someone's house for a party or go to an English club to practice speaking English. We can relax on Saturday evenings because there's no school on Monday.

Tell me about your favorite day in your next letter. Hope to hear from you soon.

Love,

Minh.
