The worksheet is designed for a moral education activity. It features a central character, '宇轩' (Yu Xuan), who is a boy in a green shirt. He is surrounded by two scenarios, A and B, each with a '行为' (Behavior) section and a '好处' (Benefit) section. Scenario A shows a boy on a bicycle with a basket of fruit, and Scenario B shows a boy in a library. The central character is also shown with a speech bubble stating '我是一个懂得礼让的孩子' (I am a child who knows how to be polite). At the bottom, there is a question: '如果是你，你会怎么做？为什么？' (If you were you, what would you do? Why?). The worksheet is branded with 'LIVEWORKSHEETS' at the bottom right.
