

Dear Mary,

I am having a great time in Nha Trang. I go with my family and we stay in a hotel. The weather here is wonderful. The air is clean. The beach is large, flat and has a lot of sand. We do a lot of activities such as riding bikes, swimming and snorkeling. I take many photos with my family. The seafood is delicious, but very expensive. I am looking forward to getting back here next summer.

I am going to come home next week.

See you soon.

Peter
