Hi, Bonnie: Are you busy Tuesday evening?
There's a Latin concert your neighborhood,
right near your office the Mellon Theater.
Sounds like something really special with musicians
from all over the world. It starts 8:30. I'll
be work until 6:00, but I could meet you
..... 6:15 or 6:30 in front of the theater. We could
have something to eat before the concert. What do
you think? -LC
