

GRAMMAR PRACTICE Complete the message with prepositions of time and place.

Leslie Carter

Hi, Bonnie: Are you busy Tuesday evening? There's a Latin concert your neighborhood, right near your office the Mellon Theater. Sounds like something really special with musicians from all over the world. It starts 8:30. I'll be work until 6:00, but I could meet you 6:15 or 6:30 in front of the theater. We could have something to eat before the concert. What do you think? -LC
