

## Song: Flying home

*Listen to the song and fill in the blanks.*

Out of the window, I can see  
A ..... and a ..... below me.  
There's an ..... in a ..... over there.  
It looks very small from the air.  
The ..... are over and  
we're on a plane,  
Flying home and back to school again.  
From up here, high in the sky,  
I can see the ..... passing by.  
There's a ..... in a forest on  
the right.  
This ..... is a beautiful sight.  
*Chorus*  
From my window, I can see  
A big town below me.  
There are lots of little ..... and streets, too,  
And cars and ..... in a queue.  
*Chorus*
