

# Form 1

## Community Landmark

**Note:** When two or more adjectives are combined to modify the same noun, the result is a **compound adjective**. They're generally separated by a hyphen.

**DIRECTION:** Match the compound words with their meanings.

- |                      |                            |
