

# Tonight

Reamonn

She never took the rain / train alone  
She hated being on her own / way  
She always took me by the hands/ head  
And said she needs me/ mine  
She never wanted in love to pale/ fail  
She always hoped that it was fake / real  
She'd look me in the eyes / ears and say 'believe me'  
And then the night becomes the day/ same  
And there's nothing lamp / left to say  
If there's nothing left to say / pay  
Then something's strong / wrong

Oh tonight you killed me with your smile / style  
So beautiful and wild / so beautiful  
Oh tonight you killed me with your/ their smile  
So beautiful and wild so beautiful and mild / wild

And as the heads /hands would turn with time  
She'd always say that she was my mine / time  
She'd turn and left / lend a smile  
To say that she's gone  
But in a whisper she'd come / arrive  
And danced into my life / wife  
Like a music merrily / melody  
Like a lovers song / swan

Oh tonight you killed me with your time /smile  
So beautiful and wild so beautiful  
Oh tonight you killed me with your smile / style  
So beautiful and wild so beautiful and wild

Through the lightest / darkest night  
Comes the brightest sky /light  
And the light that shines / shapes  
Is shallow / deep inside  
It's who you are

Oh tonight / today you killed me with your smile  
So wonderful /beautiful and wild so beautiful  
Oh tonight you killed me with your style / smile  
So beautiful and fight / wild so beautiful ...beautiful  
Oh tonight you killed / hit me with your smile

So beautiful and wild so beautiful and wild  
So beautiful and wild  
So beautiful and wild
