Barra de Herramientas Illustrator

Arrastra cada nombre o definición al botón o grupo de herramientas que corresponda

The image displays various toolbars and individual tool icons from the Adobe Illustrator interface. On the left is a full vertical toolbar. To its right are several smaller toolbars and individual tool icons, each with a grey box below it for labeling. The tools shown include the Vectorization group (with the Vectorization tool highlighted), the Paint group (with the Paintbrush tool highlighted), the Selection group (with the Direct Selection, Lasso, and Standard Selection tools highlighted), the Magic Wand, and the Screen Mode group (with the Screen Mode tool highlighted).
