or general truths.				
For things you will probably do in t	:he futu	re.		
For scientific facts.				
n the zero conditional, you use presult.	resent s	imple tense	in the cond	ition and the
True				
alse				
f you drink before you drive,				
ou will have an accident.				
ou would have an accident.				
ou can have an accident.				
The first conditional is formed:				
Present simple in the condition and present simple in the result.				
Present simple in the result and will/won't in the condition.				
Will/won't in both the condition a	nd the r	esult.		
Present simple in the condition and	d will/ v	von't in the r	esult.	
CHOOSE THE WORDS THAT YOU C	AN USE	то маке с	ONDITIONA	ALS:
WEATHER SINCE		UNLESS		FOR
WHEN YET	IF		LESS	WHETHER
USE ZERO AND FIRST CONDITIONAL TO DESCRIBE REAL SITUATIONS:				
/ES				
NO				
IF I STU	JDY FOR	THE LESSO	N.	
won't get good grades.				
gets good grades.				
will get good grades.				
would get good grades.				

You use the zero conditional:
