"El Dorado"

3 Second, when the Spanish conquistadors arrived in Colombia, they tried to remove the water to take the treasures. They recovered a lot of gold.

1 I'm going to tell you the legend of El Dorado. People say El Dorado happened in a place called Lake Guatavita. It is located near Bogotá. People say the legend happened like this:

Finally, experts put some of the treasures of El Dorado in a museum. To see it, you can go to the Gold Museum in Bogotá.

Third, since that first expedition, the Spanish conquistadors have tried many times to take more treasures. But many workers died.

2 First, there was a leader of a tribe called Muisca. He covered himself in gold dust, floated into Lake Guatavita and threw the treasures of his tribe into the lake.

5 Then, because these people died, the Colombian government prohibited people from going into the lake.
