Exercise 4: Read the text then choose the best answer for each question.

Community service is unpaid work that benefits people and organizations in the community. It is often done near the area where you live, so your community gets the benefits of your work. You do not get paid to perform community service, but get to learn a lot. Community service can help many different groups of people, even animals, and the environment. Community service is often organized through a local group, such as a place of worship, school, or non-profit organization, or you can start your community service projects. Community service can even involve raising funds by donating used goods or selling used goods like clothing.
