### FOOD IS IMPORTANT

Hi everyone! I'm Bella. I like all kinds of food. I like a cup of milk, an orange, a banana and an apple for my breakfast. It's good for my health. At school, I have spaghetti, salad and apples for lunch. I come home at five o'clock. My family has soup, steak, yogurt for dinner. I never eat steak, I don't like it, I want French fries but I don't have it today.

We all need food to live and grow. Food gives us health for learn and play. So eat a lot of green vegetables, meat, fish, dairy products and drink lots of water to have a healthy body.
