### Subject and predicate

All sentences have two parts- a subject and a predicate.

The subject tells who or what the sentence is about.

The predicate tells what the subject does.

Read the sentences carefully, then write the subject next to it.

1. The apple is in the bag.
2. Grandma gave me a puppy for my birthday.
3. Azaria likes to play cricket.
4. A book is on the table.
5. My sister is walking down the road.
6. Rayme runs every morning.
