Name: _____

Writing: Character Traits

There are many words that we can use to describe people. Read the table below on the different types of character traits and their meanings. Then write a paragraph on **ONE** of the prompts below.

Trait	Meaning	Trait	Meaning
shy	Someone who is nervous around people they don't know so they do not talk much.	friendly	Someone who is pleasant and shows kindness to others.
funny	Someone who makes others laugh.	jovial	Someone who is always happy or cheerful
dependable	Someone who can be counted on to do their chores and help others.	punctual	Someone who is always on time.
honest	Someone who tells the truth and returns what is not theirs.	clumsy	Someone who trips over things, bumps into things or often have other accidents.
brave	Someone who faces challenges even if there is fear or danger.	trustworthy	Someone who can be trusted to be honest or keep their word.

Write about…

a. Your best friend

b. Your favorite person (family or famous)

c. Your favorite character from a story, movie or show

Tell why this person is your best or favorite person. Tell what traits you like most about them. Be sure to include their name and what the look like.
