Nature walk

Near my house there's a small (1) _____. There's not much water in it, but it's pretty and if you walk along the (2) _____ next to it, you eventually find where the water runs into a much bigger river. Further along, there's a beautiful (3) _____ where the river falls to a lower level. After another hour, you get to the (4) _____, where the river enters the sea. Standing here on the beach, you can look back and see the (5) _____ between two hills and the huge, vertical (6) _____ on either side of you.
