

The image shows a screenshot of the Microsoft Excel 2010 application window. The title bar at the top indicates the file name is 'Libro1 - Excel'. The ribbon is set to the 'Inicio' (Home) tab, which is divided into several groups: 'Portapapeles' (Clipboard), 'Fuente' (Font), 'Alineación' (Alignment), 'Número' (Number), 'Estilos' (Styles), 'Celdas' (Cells), and 'Edición' (Editing). The 'Fuente' group is expanded, showing options for font face (Calibri), size (11), bold, italic, underline, text color, and background color. The 'Alineación' group shows options for text alignment (left, center, right, justified) and orientation. The 'Celdas' group shows options for inserting and deleting rows and columns. The 'Edición' group shows options for filling, sorting, and finding. The worksheet grid is visible below the ribbon, with columns labeled A through T and rows numbered 1 through 23. A cell in column G, row 11 is selected. A watermark 'LIVEWORKSHEETS' is visible in the bottom right corner of the worksheet area.
