

English conversation of 3 people

Read the conversation and then answer the reading comprehension questions.

Sophie: Hey guys, how's it going?

Monica: Hi Sophie, pretty good.

Johan: Hello Sophie. How are you doing?, we did not see you at the party last night.

Sophie: Well, I really wanted to go but unfortunately I was out of town.

Monica: Oh! We had a great time. It was a barbecue party at Karen's house. We enjoyed the pool and also helped to prepare the ribs.

Johan: Yeah, everything was absolutely delicious, wasn't it?

Monica: Sure, but don't forget the music. It was awesome. We danced all night long.

Sophie: It's a real shame I couldn't go. And... did you, by any chance, see Paul?

Johan: Why are you asking that?

Sophie: Actually, I want to know if he went to the party with Rose.

Monica: Mmm, I am not quite sure if I saw him, but what about going to our house to see the pictures of the party? So that you find that out.

Sophie: Sounds like a good plan! Let's go.
