Dear Amin,

_____? I hope you are fine staying at home.

Yesterday, I read about different types of dinosaurs. I would like to tell you about my favourite dinosaur.

For your information, dinosaurs _____ 245 million years ago. They were _____. I love _____ the most!

Troodon was a _____ dinosaur. It had a very _____ brain for its size. That could be the reason why it was smarter than other dinosaurs. It was _____ as Troodon ate seeds, fruits, nuts as well as _____. It did not have any _____ on its body. You can see the photo of Troodon here.

That's all from me. I'm excited to know about your _____. Bye for now.

Your friend,
Adam.
