

LISTEN AND DRAG THE EXPRESSIONS TO THE CORRECT SPEAKERS

A man in a denim shirt and a woman in a blue dress are in a shop. The man is holding a credit card and a smartphone, while the woman holds a brown shopping bag. There are speech bubbles at the top with expressions: "Yes, have you got this T-shirt in other colors?", "Can I help you?", "And in purple?", "Would you like to pay with credit card or with cash?", "Is it OK?", and "Can I try it on?". Below the expressions are three boxes for each speaker, labeled "Shop Assistant" and "Customer", with the placeholder text "drop your answer here".
