Grammar Review

Find the 5 fragments and write them in the box below.

On the way to the game, I decided to stop for a hot dog and chips. The closest place was Steve's General Store. Have roller hot dogs. A roller dog is a hot dog that is cooked on hot meat rollers. They are different from the kind that get microwaved or rotate on hot spokes. While I was very hungry for a hot dog. I didn't know if a roller hot dog would satisfy my craving. Because they are left on the rollers for a very long time. They can be very gross. Some places don't clean their hot dog roller often enough. Disgusting. When I go to Steve's. Their roller dogs look perfectly cooked on clean rollers. My stomach will surely be happy!
