## USING COLOURS TO DO HOMEWORK

**Girl:** My presentation is about how you can \_\_\_\_\_ colour coding to \_\_\_\_\_ your homework. To start you need a few things from the \_\_\_\_\_ shop. This photo shows the things I use. They aren't expensive. They are all \_\_\_\_\_. I've got coloured pens and pencils, \_\_\_\_\_, page markers, glue and folders. First, I \_\_\_\_\_ a different colour for each school subject. The colour I choose has to be easy to remember so I make sure it \_\_\_\_\_ something to me. \_\_\_\_\_ is green because my ruler is green. \_\_\_\_\_ is yellow because my trainers are yellow. Here is a photo of my folders. I use the \_\_\_\_\_ kind and I add a coloured sticky note to the top and to the front. I keep all my notes inside the different folders. This is a photo of some more sticky notes. I wrote them in the \_\_\_\_\_ when I was studying. The blue notes are for \_\_\_\_\_. My history teacher has got a blue car! The black notes are for \_\_\_\_\_. One day I want to visit the Black Sea. This photo shows the pages I need to read for homework. I use two coloured page markers to \_\_\_\_\_ where it starts and ends. Those blue ones mark the pages I need to read for history. Finally, this last photo shows my wall \_\_\_\_\_. This green \_\_\_\_\_ shows I have a maths test on Friday. This pink \_\_\_\_\_ shows I've got French homework for Monday. It's pink because 'pink' is 'rose' in French and the rose is my favourite \_\_\_\_\_. Has anyone got any questions?
