

# MY DAILY ROUTINE

A. Read the following text and complete the table below.

I get up at 7 o'clock. I wash my face and comb my hair and then I go downstairs for breakfast, usually a slice of bread and a bowl of cereal. My school starts at 8:30, so I leave home around 7:50 to catch the bus. When school finishes - at 3 o'clock - I come back home, have a snack, do my homework, and take a shower. After dinner I watch TV and go to bed at 9:30.

My alarm clock rings at 7:30. I take a shower and put my clothes on. Then my mother calls me for breakfast. I usually have bread with cheese and chocolate milk. After breakfast I brush my teeth and kiss my parents goodbye. My school is not far from my house, so I go on foot. I have lessons from 8:30 to 3:30. After school I walk back home and watch TV or listen to music. I usually do my homework from 5 to 7 o'clock, when we have dinner. I go to bed at 10. Before that I usually read a magazine and chat with my friends online.

I get up at 7:45, because my school only starts at 9. I go to the bathroom and then I put on my uniform. I have breakfast with my family around 8:15. I usually have porridge and a piece of fruit. We all leave home at 8:30. My parents drive me to school and go to work. At 4:30 my grandfather takes me home. I take a shower and put on my pajamas. I always do my homework before dinner. When my parents arrive we eat and I still study a little bit more. Before going to bed, usually around 11, I listen to music and read a sports magazine.

I get up at 7 o'clock, take a shower to wake up, and get dressed. Then I prepare my breakfast - a ham sandwich and a smoothie. After brushing my teeth I make my bed and leave for school, which starts at 8. I usually take the tube, because it's faster than the bus. Lessons finish at 3 and I go straight home. I do my homework and revise for the tests. I have dinner at 7:30, help my mom with the dishes and study a little bit more while I listen to music. I go to bed at 11.
