

Gotye, Somebody That I Used To Know

Now and then I think of when we
were together
Like when you said you _____ so
happy you _____ die
_____ myself that you were right
for me
But felt so lonely in your company
But that _____ love and it's an
ache I still remember

You can get _____ to a certain
kind of sadness
Like resignation to the end,
always the end
So when we _____ that we _____
not make sense
Well, you said that we _____ still
be friends
But I'll admit that I _____ glad it
was over

But you _____ _____ to cut me off
Make out like it never _____ and
that we were nothing
And I don't even need your love
But you treat me like a _____ and
that feels so rough

No, you didn't have to stoop so
low

_____ your friends collect your
records

And then change your number
I guess that I don't need that
though

Now you're just somebody that I
used to know (3x)

Now and then, I think of all the
times you screwed me over
But _____ me believing it was
always something
that I _____
But I don't wanna live that way
Reading into every word you say
You _____ that you could let it go
And I _____ catch, you hung up on
Somebody that you used to know

But you _____ _____ to cut me off
Make out like it never _____ and
that we were nothing
And I don't even need your love
But you treat me like a _____ and
that feels so rough

No, you didn't have to stoop so
low

_____ your friends collect your
records

And then change your number
I guess that I don't need that
though

Now you're just somebody that I
used to know

Somebody (I used to know)

Somebody (Now you're just
somebody that I used to know)

Somebody (I used to know)

Somebody (Now you're just
somebody that I used to know)

Somebody...
