Dear Juan:

Hello! How are you? I am really happy to tell you everything about my trip for summer vacation.

In February, I am going to travel to the north of Chile with my sister and little brother. We are flying to Calama because we want to visit San Pedro.

We are going camping for 3 days , we are going to sleep in a small tent, and then we are going to stay in a hostel for 5 days. We are going to do many activities! We are going to visit El Tatio Geysers, and we are going to take pictures to the landscape, buy souvenirs, do hiking in the Arcoiris Valley and eat in different places. It is going to be great!

Tell me about your plans,

Love Mariana.
