I know a lot of people can't wait to get their driving (1) \_\_\_\_\_ so they can start driving, but if you live in my town, you have to listen to the traffic (2) \_\_\_\_\_ in the morning because there is usually a problem somewhere in town. There are also too many traffic (3) \_\_\_\_\_, and these are often red, so most cars are (4) \_\_\_\_\_ on their way to work. There's always a lot of (5) \_\_\_\_\_ outside schools, near the shops and at other busy places like (6) \_\_\_\_\_ stations, so if you go there to (7) \_\_\_\_\_ someone up, you have to wait for a long time. The bus has similar problems and sometimes people say that they wait a very long time at the bus (8) \_\_\_\_\_ before a bus comes. Walking is the best form of transport where I live!
