Math

Naming Solid Shapes

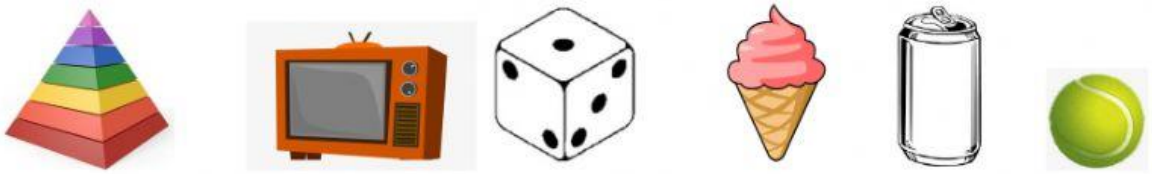

Learn the names of solid shapes:

Match each shape to the correct name:

CUBOID CUBE PYRAMID SPHERE CYLINDER CONE

CUBOID CUBE PYRAMID SPHERE CYLINDER CONE

Now put the pictures that are the same together:

CONE		
CUBE		
SPHERE		
PYRAMID		
CYLINDER		
CUBOID		

Write the shape names to complete each sentence:

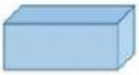

A _____ has a square face.

A _____ has a face that is a circle.

A _____ has a face that is a triangle.

A _____ has a face that is a ractangular.
