### My lunchbox by Tyler Edwards

I don't usually have school dinners so I take a lunchbox to school every day. In my lunchbox, I often have a bag of crisps or maybe a small bag of (1) \_\_\_\_\_ - these are better for you. There's always some fruit too - maybe a nice red (2) \_\_\_\_\_.

I always have two big (3) \_\_\_\_\_ - my mum makes them with white or brown bread, and she usually puts some (4) \_\_\_\_\_ in them like chicken, or perhaps some nice cheese or some healthy green (5) \_\_\_\_\_. At our school, we can't have (6) \_\_\_\_\_ like cola so I always take some apple (7) \_\_\_\_\_.

We can drink (8) \_\_\_\_\_ too. When I get home every day, I wash my lunchbox. Then it's time for dinner. We always have a hot meal - perhaps some Italian (9) \_\_\_\_\_ with vegetables or a big pizzas.
