Name _____

Phonics

Consonant Digraphs ch, sh, wh, th, ph, and Trigraph tch

Two or three consonants sometimes make one sound. The letters **ch, sh, wh, th, ph,** and **tch** make one sound at the beginning of a word or at the end of a word.

Read the sentences below. Pick a word from the two choices on the right to complete each sentence. Write the word on the line.

1. He drew a _____ on the paper.	graph	gaps
2. The girl _____ about her brother.	thinks	thin
3. Jenny saw a _____ rabbit in the yard.	wild	white
4. My dad wanted to _____ me.	teach	chip
5. Tucker listened to the bird _____.	sharp	chirp
