1 Complete the words in the online forum post.

## What do you like about your town?

Our town is fun when you have free time because there are lots of <sup>1</sup> facilities. The best thing is the new <sup>2</sup>s park – you'll find me there a lot! There are nice green spaces, too, and they've opened the <sup>3</sup>a ruins where you can hang out in the summer. If you fancy going to a concert with friends, there's also a cool <sup>4</sup>m venue.

There's one big problem with our town – it's quite polluted because there's always <sup>5</sup>h traffic and there's air pollution, too, from the big factory at the <sup>6</sup>i site to the east.
