### A Description of Mary

Mary is as \_\_\_\_\_ as a Hollywood star. She is tall like a \_\_\_\_\_. Her \_\_\_\_\_ wavy, long black hair gracefully falls down to her shoulders and encircles her \_\_\_\_\_-shaped face. A \_\_\_\_\_ suntan usually brings out her \_\_\_\_\_ clear complexion and high cheek bones. Mary's large deep \_\_\_\_\_ eyes remind me of the ocean. And her mouth is small outlined by \_\_\_\_\_ lips. When she smiles, which is often, her \_\_\_\_\_ teeth brighten up her whole face. Mary is an \_\_\_\_\_ friend.
