HOW CAN WE HELP?

Many animals face a lot of terrible dangers. We are destroying their habitats. Animals are killed and trafficked to be sold as pets, or used as souvenirs, or even eaten in expensive restaurants on the other side of the world. We strongly believe that this is wrong, and we want to stop it.

The World Wildlife Fund is an international organisation that helps wild animals all over the globe. If you are passionate about animals and wildlife, there are lots of things you can do to get involved. The WWF offers wildlife holidays, wildlife volunteer projects and work placements around the world. It's a great chance to help with the conservation of many wild animals including tigers, lions, turtles, pandas, dolphins, macaws, or many other wild animals. You can work with local communities and meet people who are passionate about animals, just like you.

There is a wide range of projects available. Why not go to the amazing island of Madagascar? A lot of the world's most spectacular wildlife is only found in Madagascar, and there are various projects that you can join. You can also travel to the American Midwest and help in a centre that takes care of wolves, foxes and wild dogs, surrounded by beautiful countryside.
