

Read the text and complete Task 2a and 2b.

When I was a child, we were often at the library to find out information for homework. There weren't any computers but there were lots of books in the library. It was quiet there and we were very quiet, too.

2a. Fill in the blanks correctly based on the given text

When I _____ a child, we _____ often at the library to find out information for homework. There _____ any computers but there _____ lots of books in the library. It _____ quiet there and we _____ very quiet, too.

2b. Read the text again and answer the questions.

1. Were there any computers in the library?

2. Were there any books in the library?

3. Was the library quiet?
